Unique to the hardwood flooring industry, Plyboo® bamboo flooring has grown in popularity and can now be found in homes all over America. With its easy installation, durability, and good looks, homeowners are choosing Plyboo® for its adaptability to design themes, from contemporary to tropical, from traditional to that Asian touch.

#### Standard Sizes

5/8" x 7 1/2" x 86 5/8" (standard)

5/8" x 7 1/2" x 72" (strand)

#### Finish

Multi-coat Aluminum Oxide System

#### Easy & Inexpensive Installation

Bamboo Floating Floors are very popular in the hardwood flooring industry because of their great flexibility, beautiful looks and easy installation. Since they can simply be thrown onto the ground, floating floors lend themselves to being installed on a wide range of surfaces without nails or glue, making it the preferred product for architects and homeowners looking to reduce installation cost and labor.
